**Fourth Sunday in Ordinary Time
January 31, 2016**

Faith, Hope, and Love remain, these three; But the greatest of these is Love.

1 Corinthians 13:13

**PASTOR'S
LETTER**

Dear Parishioners,

I want to continue this week telling you about all the great things that have been happening at All Saints there last few years. Last week I highlighted our spiritual care of the children, this week I want to delineate changes in curriculum and instruction.

All Saints has a unique world languages program that compliments the study of English. This program teaches the children to see that speaking more than one language is not only something that everyone can do, but also something that everyone should want to do because it deeply enriches our humanity and knowledge of the world. Language is the foundation of learning and communication.

Our program introduces the children to two "Romance" languages -- by the way, "Romance" in this case has to do with Rome, and nothing to do with "falling in love" -- Spanish and Italian. As daughter languages of Latin -- the language of the ancient Romans -- these languages share much in common with each other and with English. All three of these languages as well as many other modern European languages are much indebted to Latin for vocabulary and grammar. Therefore, the children will also have a chance, after having spent four years of Spanish and Italian (first-fourth grade), to focus on grammar (fifth) and Latin (sixth). In the last two years, students may apply to Latin honors and/or Spanish.

Vertical integration of our world language program reflects the broader design of all subjects. All teachers in a subject together constitute a committee that helps to ensure that children at every grade level are learning what they will need to succeed as the progress through the school. This means that already in Kindergarten, the children are being prepared for what they will need to know to be successful in eighth grade and beyond.

Besides subject committees, every grade level enjoyed the benefits of team teaching. This allows the student to enjoy greater continuity in instruction because the same teacher will work with that student in their areas of competence over two years. In addition, team teaching means that every student receives attention from multiple teachers, who together can better individualize instruction to meet the child's needs.

The principle of differentiation of instruction also drives our school's efforts to cooperate with local school districts to obtain maximum services legally available to our students, which include reading and speech specialists, a school psychologist and other special services where applicable. In these cases, we tailor a program that seeks to enable the child to leave All Saints without any accommodations. Our school not only accepts Individualized Education Programs (IEP), but also will design a school specific program for students who do not meet state requirements for IEP's but are in need of assistance.

**PASTOR'S
LETTER**

Cari parrocchiani,

Voglio continuare questa settimana per raccontarvi di tutte le grande cose che sono accaduto a All Saints negli ultimi anni. La settimana scorsa ho evidenziato la nostra cura spirituale dei figli, questa settimana voglio delineare cambiamenti nel programma dei studi e l'istruzione.

All Saints ha un programma unico di lingue del mondo che complimenta lo studio della lingua inglese. Questo programma insegna ai bambini a vedere che parlare più di una lingua non è solo qualcosa che tutti possono fare, ma anche qualcosa che tutti dovrebbero volerlo fare perché arricchisce profondamente la nostra umanità e la conoscenza del mondo. La lingua è il fondamento di apprendimento e di comunicazione.

Il nostro programma introduce i bambini a due "Romantiche" - lingue a proposito, "Romance" in questo caso ha a che fare con Roma, e nulla a che fare con "l'innamoramento" - spagnolo e italiano. Come lingua figlia del latino - la lingua degli antichi romani - nelle lingue condividono molto in comune con l'altro e con l'inglese. Tutti e tre di queste lingue così come molte altre lingue europee moderne sono molto in debito con il latino per vocabolario e grammatica. Pertanto, i bambini avranno anche la possibilità, dopo aver trascorso quattro anni di spagnolo e italiano (dal primo al quarto grado), per concentrarsi sulla grammatica (quinto) e latino (il sesto). Negli ultimi due anni, gli studenti possono rivolgersi agli onori latino / o il spagnolo.

L'integrazione verticale del nostro programma di lingua mondiale riflette il disegno più ampio di tutti i soggetti. Tutti gli insegnanti in un soggetto insieme costituiscono un comitato che aiutano a garantire che i bambini ad ogni livello di grado imparano quello di cui avranno bisogno per avere successo come il progresso attraverso la scuola. Ciò significa che, già nella scuola materna, i bambini sono in fase di preparazione per ciò che avranno bisogno di sapere per avere successo in terza media e non solo.

Oltre a questi comitati, ogni livello di grado ha il vantaggio di insegnamento di un gruppo. Questo permette allo studente di godere di una maggiore continuità in istruzione, perché lo stesso maestro lavorerà con quello studente nelle loro aree di competenza per due anni. Inoltre, questo significa che ogni studente riceve l'attenzione da più insegnanti, che insieme possono meglio individualizzare istruzione per soddisfare le esigenze del bambino.

Il principio di differenziazione di istruzione spinge anche gli sforzi della nostra scuola per cooperare con i distretti scolastici locali per ottenere servizi speciali legalmente disponibili per i nostri studenti, che includono la lettura e discorso specialistico, uno psicologo della scuola, e altri servizi speciali dove servono. In questi casi, adattiamo un programma che mira ad abilitare il bambino a lasciare All Saints, senza sistemazione. La nostra scuola non solo accetta individuale Education Programs (IEP), ma anche progetterà un programma specifico di scuola per gli studenti che non soddisfano i requisiti di stato per IEPs, ma hanno bisogno di assistenza.

CHURCH OF ST. ROCCO, GLEN COVE, NEW YORK

While some students need accommodations to succeed, others need challenges. For this, we developed the TAP (Top Achievers Program) which responds to the needs of children who score well on standardized tests. This program supplements the curriculum through interdisciplinary research projects organized by grade. Last year, for example, TAP participants, having researched ancient Egypt and mythology, presented their findings to the school.

We also prepare our students well for the Catholic High School Entrance Exam (CHSEE) with reviews in mathematics and ELA in the spring of the Seventh Grade and the beginning of Eighth Grade. We are proud of the fact that our graduates are able to avail themselves to the numerous opportunities our excellent local Catholic high schools offer.

Finally, we are deeply aware of the challenges that students face outside of school. We endeavor every year to support our families as much as possible. This year, we have introduced two new **free** programs, Beforecare (6:45 am - 7:45 am) and Aftercare (2:30 pm - 6:30 pm), about which I will write more next week when I describe our extra-curricular activities.

God bless,
Father Elias

Confessions

© J. S. Paluch Co., Inc.

Saturday: 3:00pm - 3:45pm

Let us pray for the intentions of our Holy Father during the month of February.....

Universal Intention: That we may take good care of creation - a gift freely given - cultivating and protecting it for future generations..

For Evangelization Intention: That opportunities may increase for dialogue and encounter between the Christian faith and the peoples of Asia.

Bulletin Reflection

Jeremiah declares that the Lord knew him before he was born and dedicated and appointed him to his role as prophet even before he drew breath. We too, are known and sent by the Lord. What deeds of love and service are mine to perform?

© J. S. Paluch Co., Inc.

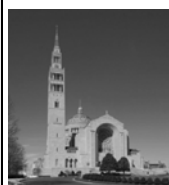

We are grateful this week for all stewards in our parish who practice a spiritual work of mercy by having Masses said for departed friends and loved ones, praying for the living and the dead.

Mentre alcuni studenti devono avere le qualità per avere successo, altri hanno bisogno di sfide. Per questo, abbiamo sviluppato il TAP (Programma di un migliore risultato, che risponde alle esigenze dei bambini che fanno bene nei test standardizzati. Questo programma integra il curriculum attraverso progetti di ricerca interdisciplinare, organizzate per grado. I partecipanti dello scorso anno, per esempio, dopo aver ricercato l'antico Egitto e la mitologia, hanno presentato i loro risultati alla scuola.

Prepariamo anche i nostri studenti per l'esame di ammissione alla scuola superiore cattolica (CHSEE) con le recensioni in matematica e ELA nella primavera del settimo grado e l'inizio della terza media. Siamo orgogliosi del fatto che i nostri laureati possono avvalersi delle numerose opportunità, che le nostre scuole superiori cattoliche e locali offrono eccellenti risultati.

Infine, siamo profondamente consapevoli delle sfide che gli studenti devono affrontare al di fuori della scuola. Cerchiamo ogni anno di sostenere le nostre famiglie, per quanto possibile. Quest'anno, abbiamo introdotto due nuovi programmi gratuiti, Beforecare (06:45-07:45) e Aftercare (14:30-18:30), su cui scriverò di più la prossima settimana, quando descrivo la nostra attività extrascolastiche..

Dio vi benedica,
Padre Elias

Bishop Murphy is happy to announce that there will be a **Diocesan Year of Mercy Pilgrimage to the Basilica of the National Shrine of the Immaculate Conception**

Washington, D.C.

We prepare our students for the careers of tomorrow!

- A challenging curriculum with differentiation for each child
- Foreign Language Grades 1-8 (Italian, Spanish, Latin)
- Dedicated faculty with NYS certifications and advanced degrees
- Academic intervention services and programs for special needs
- Advanced math / Regents program
- Full day Pre-K
- Smart Boards in each class;
- iPads and up-to-date media center

FREE Before & After School Care

Visit ASR to discover the Catholic School difference!

EXPANDED AFTERSCHOOL PROGRAMS

Clubs, Sports, School Plays, Band, Liturgical Chorus, Newspaper, Christian Service and more...

- ASR is the only school in the Diocese headed by a Priest as its Headmaster.
- Each ASR student enjoys a substantial tuition scholarship.
- Additional tuition assistance is available to the children of many middle-income families.
- All middle school religion classes are taught by Pastors of our local parishes and other Priests.

Dramatic academic and institutional initiatives undertaken at ASR over the past two years have resulted in a learning model which supports 21st century learning.

Why choose All Saints?

From a Parent:

“All Saints Regional Catholic School has been like a second home to my three children. You feel the warmth as soon as you enter the front doors. I have seen my children grow socially, spiritually, physically, and intellectually throughout the years. All Saints is not just a school, it is a foundation for a great future of learning and growing in faith.” ~ Gunilla Paulich

From a Student:

“ASR is full of so many tender, and warm-hearted teachers that put so much effort into our education and safety. Every faculty member and student has become family to me. ~Julia Pascucci Jiao

Good News for the Nation: Catholic Schools Are Thriving

According to the National Catholic Education Association, “Catholic schools offer academic excellence and faith-filled education for students nationwide. National test scores, high school graduation rates, college attendance and other data show that Catholic schools frequently outperform schools in both the public and private sectors. While some Catholic schools are challenged by declining enrollments and school closures, the good news is that there is a strong demand and enthusiasm for Catholic schools. Thirty-two percent of Catholic schools have waiting lists for admission and new schools are opening across the country. “

All Saints is celebrating Catholic Schools Week

January 31—February 6, 2016

National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts today with Mass and Open House and runs all week.

The theme for the National Catholic Schools Week 2016 is “Catholic Schools: Communities of Faith, Knowledge and Service.” All Saints will celebrate Catholic School’s week with activities that focus on the value of Catholic education.

Daily Activities for Catholic Schools Week:

Sunday - Mass and Open House

Monday - Earth Balloon visit—an in house field trip

Tuesday - Author Presentation by Michael Sampson

Wednesday - Cultural Day and Spanish Play

Thursday - 8th grade students as teachers

Friday - Mass, noon dismissal and Faculty appreciation lunch
