

We invite you to pray the Rosary

Please join with the *Church Militant* throughout the entire universal Church in saying the holy Rosary. We urge you to learn it in Latin for it helps in preserving the Truths and Traditions of Holy Mother Church by praying in the Mother tongue. It also helps cut down on distractions when said in the language of the angels, and by alternating mysteries between Latin and English, it also helps you keep track of the decade you're on. We have also included Spanish to accommodate as many Catholics as possible. Outside of the Holy Sacrifice of the Mass, the holy Rosary is the most powerful weapon we have against the world, the flesh and the devil. Pray it as often as you can and say as many Rosaries as possible daily depending on your particular state-of-life.

For those who already know the holy Rosary and only want the short-form of the intentions of each set of Mysteries see:

Prayers of the Holy Rosary

I unite with all the saints in Heaven, with all the just on earth and with all the faithful here present. I unite with Thee, O my Jesus, in order to praise worthily Thy Holy Mother and to praise Thee in her and through her. I renounce all the distractions I may have during this Rosary which I wish to pray with modesty, attention and devotion, just as if it were to be the last of my life.

We offer Thee, O Most Holy Trinity, this Creed in honor of all the mysteries of our Faith; this Our Father and these three Hail Mary's in honor of the unity of Thy Essence and the Trinity of Thy Persons. We ask of Thee a lively Faith, a firm Hope, and an ardent Charity. Amen.

Saint Louis Marie de Montfort

After the above prayer, one begins the Holy Rosary with the Apostles' Creed and prays as reverently as possible.
